

A.O.K.

Give kind gifts.

We all have a growing role to play towards helping people, animals and the environment. It's time to gift thoughtfully.

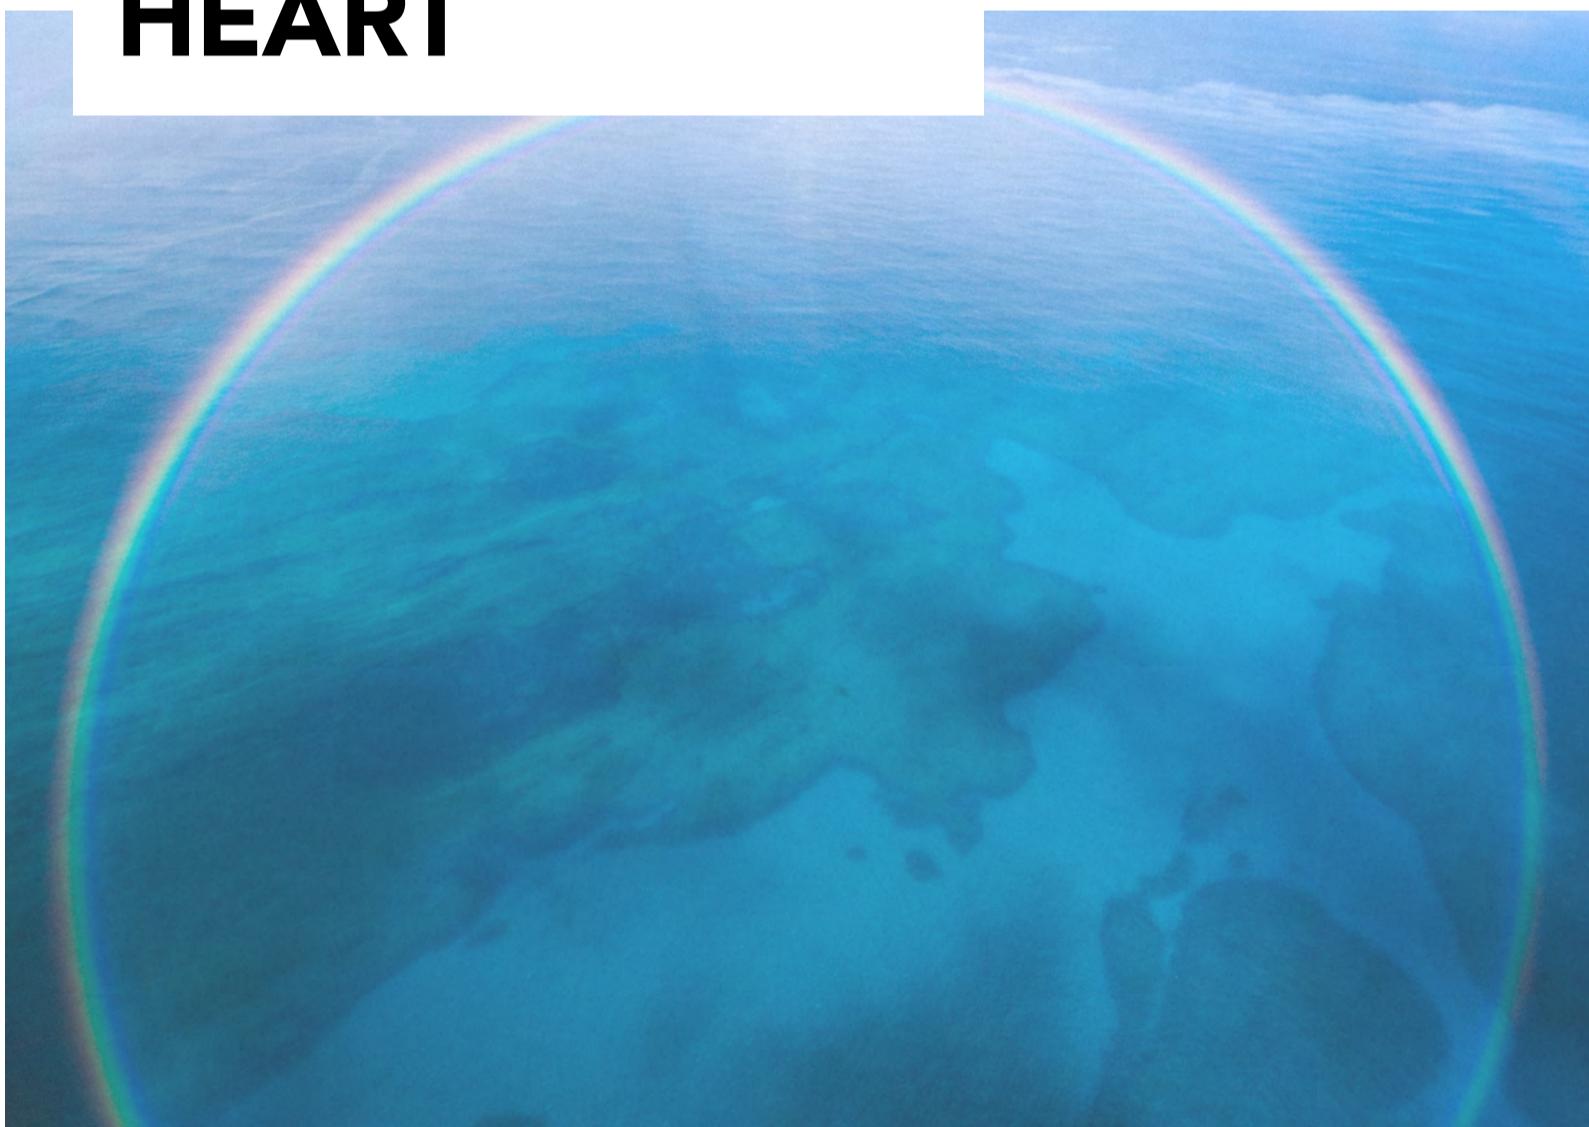

Gift giving can be tricky, time consuming, and wasteful. By making charitable gift giving the norm, we make every gift a meaningful act of kindness. This type of gifting is a powerful way to make the world a safe and sustainable place.

Find the perfect gift.

Match a person to a cause.

SHOP WITH HEART

Researched Charities

Every charity is researched and vetted so that your donations make the biggest impact possible. We look at four key areas when evaluating a charity: need, efficiency, effectiveness, and transparency.

Positive Impact Gifts

The impact of these charitable gifts is much greater than that of a disposable, landfill destined, store-bought gift.

Easy + Instant Shopping

This is the easiest way to quickly buy a thoughtful gift. Details about your gift can be sent as an e-card to your gift recipient.
